App. F. III—2]

General and Revenue Secretariat | File No. 36 of 1930.

Serial 26

Letter no A4-GR 4336/30-31 dated 9th Dec 1930, from the Dy Commissioner Ernakulam District requesting, grant an additional grant of Rs 20,000/- may be sanctioned, for putting down Spurious worm wells in the district.

While distributing the grant of Rs 1,00,000/- provided in the State Budget for 30-31, for drinking water wells, a sum of Rs 5000/- was set apart for the Guinea worm campaign in the Ernakulam dist (Vide Govt no L 2155-74 VB 36-30-9 dt 8/9/30

A sum of Rs 5,000/- has been kept in reserve, out of the grant meant drinking water wells during the Current year. Apart from this no amount is available.

But the Dy Commr asks for an additional grant of Rs 20,000/- and the District Board President's letter explains the need for the amount.

The amount held in reserve (viz Rs 5000) may perhaps be given to the Ernakulam district and the remaining amount (viz Rs 15000), if the proposal is sanctioned, may perhaps be met, out of the sum of Rs 50,000/- set apart for putting down bore holes in rural areas, as otherwise an additional grant will have to be applied for ~~from Govt~~ may perhaps be considered.

File No. of 193 General and Revenue Secretariat

This is an interpellation on the matter at the ensuing L.C. meeting and also a Resolution. Before passing any orders it may perhaps be well to watch the discussion in the L.C. and take information. If the amount set apart for bore holes is not raised from Rs 50,000 to Rs 30,000 an additional grant has to be asked to supply with the requisition of meeting over the reserve of Rs 5000 will be required for urgent cases

L. S. G. BRANCH

FROM

C. S. KUPPUSWAMIENGAR, Esq.,
*Deputy Commissioner,*
*Chitaldrug District.*

To

The General Secretary to Government,
Bangalore.

Sir,

With reference to your letter No.L.4967 ~~L.B.~~ V.P. dated 8th December 1930 requesting to forward a copy of letter No.C.194-3 dated 13th October 1930 from the President, District Board, Chitaldrug regarding the additional grant of Rs 20000 applied for by the President. District Board for guinea worm wells, I have the honor to enclose herein a copy of the said letter and to state that a reference to the Despatch Register of this office shows that the President's letter in original was sent to you on 18th October 1930.

I have the honor to be,
SIR,
Your most obedient servant,
B Subbarao, Ry.
For Deputy Commissioner,
Chitaldrug District.

Letter No.194/30-31 dated 13-10-30 from the President,District Board Chitaldrug to the Deputy Commissioner Chitaldrug.

With reference to your memo No.A4.G.R.2125/30-31 dated 9-9-1930 forwarding in original G.O.No.2155-74/V.P.36-30-9 dated 8-9-1930 sanctioning among other things a sum of Rs 5000 for guinea worm campaign I have the honor to state as follows:-

The scheme of controlling guinea worm disease in this District was sanctioned in G.O.No.G.2929-35 Sany: 39-27-11 dated 31-8-1928 providing for an annual expenditure of Rs 20000 for a period of 2 years in the 1st instance It will be seen from the particulars noted in the margin that an expenditure of Rs 28473 was incurred during the last 2 years purely on well works. There still remain 46 wells to be completed in guinea worm affected areas requiring an appropriation of Rs 25576 to bring them to completion, excluding of course, the contributions received in this behalf to the extent of Rs 5931.

| | |
|---|---|
| 1928-29. | Rs 14016 |
| 1929-30. | 14457 |
| Total:- | 28473. |

The Dist: Board has been making liberal provision for well works and the expenditure thereon during the last 2 years amounted to Rs 33288 as noted in the margin. Nevertheless it has not been possible to meet the crying needs of several villages in the District.

| | |
|---|---|
| 1928-29. | 16975 |
| 1929-30. | 16313 |
| Total: | 33288 |

There is a provision of Rs 12000 in the current year's budget of the District Board for well works while the incomplete well works of the District Board require an appropriation of Rs 23724 to bring them to completion and due provision has also to be made for new works also.

It may be incidentally stated that a sum of Rs 10324 was allowed to lapse during the last 2 years out of the allotment of Rs 45000 made for guinea worm well works as only a sum of Rs 34676 were expended during the period as noted in the margin.

1928-29. 15320. 1929-30 19356. Total:- 34676.
